Additional Information on Proxy Voting by one of the Company Nominees

PAION AG offers its shareholders the power to authorize proxies nominated by the company and to issue instructions on how to exercise their voting rights. You will then be represented by the proxies nominated by the company at the Annual General Meeting when voting in accordance with your instructions.

If motions and/or election proposals from Shareholders regarding the agenda of our Annual General Meeting are received that are subject to disclosure requirements, these will be published on our website at www.paion.com/media-and-investors/annual-general-meeting. The voting proxies appointed by the company are bound to vote in accordance with your instructions. If instructions are not properly filled out or not clearly given, the company proxies, depending on the voting procedure, will either abstain or not participate in the voting for the respective agenda items.

Alternatively, the company's proxies can also be authorized and instructed via the internet-based AG shareholders' portal. Powers of attorney and instructions issued to the proxies appointed by the company via the shareholder portal must be issued by the end of the voting at the general meeting. Up to this point, the power of attorney can also be revoked or instructions can be changed. In order to use the AGM shareholder portal, the required log-in data (access card number and PIN) printed on the access card is required. Shareholders can access via the website: <https://www.paion.com/medien-investoren/hauptversammlung/>

In case the proxies nominated by the company receive several authorisations and instructions via different transmission channels (mail, email or shareholders' portal), the last valid authorisation (provided its validity as regards the form) with the respective instructions will be regarded as binding.
